Career Objective	Motivated and enthusiastic Computer Science Engineering student seeking to apply strong technical, analytical, and leadership skills in the fields of Data Analysis and Web Development. Passionate about leveraging data-driven insights and building efficient, user-centric web solutions. Eager to contribute to innovative projects in a dynamic team environment while continuously enhancing my skills and adding value to organizational goals.

Education

CMS College of Engineering and Technology — **2022-2026**
8.17 cgpa — BE Computer Science Engineering

SSM Lakshmi Ammal Matriculation Higher Secondary School — **May 2022**
Computer Science — HSC
82%

SSM Lakshmi Ammal Matriculation Higher Secondary School — **March 2020**
72.4% — SSLC

Skills

Technical Skills

Core Java,Power BI,Sql,Microsoft Excel,Git,Linux,Html,Css

Soft Skills

Time Management,Team work and Leadership,Tutored,Initiated

Area of Interest

Data Analytics,Frontend Developer,Data Engineering

Internship

Gateway software solutions — **March 2024**
Data analysis — Coimbatore

Hands-on experience in data cleaning, exploratory data analysis (EDA), and data visualization using Excel and Python libraries such as Pandas, NumPy, Matplotlib, and Seaborn. Proficient in analyzing diverse datasets to uncover trends, patterns, and actionable insights.

Talent Trek Technologies — **July 2025**
Data Analysis — Bangalore

Skilled in data cleaning, transformation, and visualization using Python (Pandas, NumPy, Matplotlib, Seaborn) and Excel, with experience in performing exploratory data analysis (EDA). Adept at extracting actionable insights from datasets and presenting findings clearly to support data-driven decision-making.

Projects

Foodwise – Food Redistribution Mobile App — **March 2025**

Built a web platform to connect wedding halls and institutions with local charities for redistributing surplus food, reducing waste and supporting communities. Added features like food listing, real-time alerts, and pickup coordination.

E-Commerce Analysis using Power BI — **May2025**

Created interactive Power BI dashboards to analyze e-commerce sales, customer behavior, and product performance, turning raw data into insights to support business decisions. Improved data visibility and helped identify key trends for growth opportunities.

Interests	**Drawing,Video Editing,Volunteering**	

Paper Presentation	**International Conference Paper Presentation**	**March 2025**

Presented a paper on a self-diagnostic healthcare chatbot using NLP and machine learning. Highlighted the chatbot's ability to analyze symptoms and provide preliminary health assessments."

Technical Presentation(Artificia)	**May 2024**

Presented on the Internet of Behaviour (IoB), highlighting its impact on data and business decisions, and won 1st place for research and communication skills

Certifications	**Nptel**

Got Silver certification in NPTEL Big Data Analytics with 76% score, demonstrating strong understanding of big data concepts and analytical techniques.

Hackathon

Participated in a hackathon to design and develop a mobile app, gaining experience in prototyping, UI/UX, and teamwork.

Cisco Python Essential Course

Completed Cisco's Python Essentials course, gaining foundational knowledge in Python, data structures, and problem-solving through hands-on exercises

Awards	**Academic Excellence**	**May 2022**

Recognized for outstanding academic performance and dedication in the 1st semester.

Nptel	**May 2024**

Got Silver certification in NPTEL Big Data Analytics with 76% score, demonstrating strong understanding of big data concepts and analytical techniques.

Volunteering	**College of engineering and Technology**	**March 2024**
	Event Coordinator	Coimbatore

Worked as an Event Coordinator, managing the planning and execution of college events while developing leadership, time management, and communication skills

CMS College of Engineering and Technology	**June 2025**
Event MC	Coimbatore

Hosted and coordinated stage events during college functions and symposiums, demonstrating strong public speaking, time management, and crowd engagement skills.
